Summary of reasons for decision:

The moving image file depicts a man engaging in sexual activity with a girl who appears to be a young teenager. It promotes and supports the exploitation of children or young persons for sexual purposes in terms of s3(2)(a) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act), and is therefore deemed to be objectionable. The classification of this publication interferes with the right to freedom of expression set out in the New Zealand Bill of Rights Act 1990. However, this is an outcome that is consistent with Parliament's intention and is a reasonable limitation on the freedom of expression. The classification reflects the concern of a free and democratic society to protect its young and vulnerable members from sexual exploitation.
